**“BEST MANAGED COMPANIES” 2021. TAPÌ WINS THE DELOITTE  
PRIVATE AWARD FOR THE FOURTH CONSECUTIVE YEAR.**

2018, 2019, 2020, 2021: for the fourth consecutive year, Tapi S.p.A. is among the winners of the “Best Managed Companies” award, the Deloitte Private initiative dedicated to Italian corporate excellence.

74 are the Italian companies who stood out for strategy, expertise and innovation, commitment and company culture, governance and performance, corporate social responsibility, internationalisation, the 6 assessment criteria on which the award is based.

The BMC companies have performed better than the Italian average, registering an average 14,4% increase in sales in 2020.

“This is about showing strong adaptability to the context and capability to react to both the pandemic and economic crisis. In

one word: resilience” declared Ernesto Lanzillo, Partner Deloitte and Private Leader.

Roberto Casini, CEO at Tapi S.p.A., commented:

*We are so proud and delighted to have received Deloitte’s ‘Best Managed Companies’ award for the fourth year running. This recognition reflects the commitment, dedication and passion we invest into our work every day – all with the aim of reaching the very highest business and personal goals. Tapi strives towards continuous growth and improvement and I’m certain this award will serve to drive us to succeed in our future challenges. I’d like to thank everyone at Tapi – it’s you who has made this award a reality.*

Another important and prestigious proof of the whole company commitment towards the Tapi growth vision and excellence pursue.

## **The Tapi Group**

Tapi is an international group specializing in the design, production and distribution of technological design closures dedicated to the premium beverage sector. Tapi currently develops products for the spirits, wine, condiments, cosmetics and beer markets. With over 400 employees all over the world, Tapi supports over 3,000 customers in more than 60 countries and has consolidated its global presence with sales offices, research and development facilities and distributors.

Tapi has also recently completed an important merger operation, incorporating the French brand Les Bouchages Delage into the Group, and effectively creating the first hub for closures aimed at the Premium and Super-Premium markets. The Group is today capable of offering the market a range of unparalleled closures from the point of view of variety, creativity and performance.

Tapi has always pursued a clear vision: to become the main supplier, on a global level, of alternative closures for the Packaging Design market. To achieve this goal, the company constantly invests in research and development, in people and in communicating the value and strength of the brand, aiming to grow as an international group.
